

Application No. 10/717,254  
Filed: November 19, 2003

**REMARKS**

Prior to issuance of a patent in the above-identified allowed application, Applicants submit the Amendment After Allowance to clarify the intention that the phrase "no more than" modifies "one end of each of two said articles disposed in the endmost column" and does not modify "a space..."

This amendment is considered timely as it is filed on or before payment of the issue fee as required under 37 CFR 1.312.

Should the Examiner believe that an additional telephone conference would be useful, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
